

Congratulations Juniors

Congratulations to Gemma, Toni and Amanda for doing us proud in North Korea. NZ achieved a bronze medal (Jake Goldsmith of Wellington), as well as some VERY close matches. Thanks to everyone who supported them, especially all the sponsors.

Nationals

Another congratulations to everyone who competed in this year's Nationals in Wellington. Toni Moki won Best Over-all Black Belt (1st equal). Others who placed where Harmony Moki (Gold in sparring, Dan Jackson (Gold) and Keith Brown (Silver).

Epson Open Tournament

This tournament is open to all TKD styles and organisations so should be very exciting. It is being held at Dio on Sunday 22nd October. Entry forms are at club.

Club Commitments

We are calling on everyone to contribute to a few outside events. The first is the Papakura Town & Country day Saturday 20th September. All we need here are people to turn up in dobok and hand out brochures. See Mr Banicevich for details.

The second is the Brookby School Agricultural day on Saturday 14th October. Our yellow belt Mr Butchers is co-ordinating this, and the club receives \$200. We need at least 10 adults to sell raffles etc. Perhaps parents could help with this one - please give Mr Butchers a ring or see him at club (Ph 267 8144).

Techniques Seminar

This year's seminar is being held at De La Salle College on Saturday 7th October:

Senior World Champs

The 12th ITF World Champs are being held in Italy in July 2001. Black belts interested in qualifying for the team can still try out for a place. Remember, it's not just sparring. You can also enter in patterns, Special Techniques, Power Breaking or the Team events. See me if you want more info.

I will be coaching the Auckland Team members, and we are beginning with sessions on a Thursday night at our club (7 - 9 pm). Because of this commitment, Mr Banicevich will be helping me by taking more of the normal club sessions. Adults from Papakura are welcome to attend the team trainings as well.

Grading

The final grading for the year is on Saturday 25th November, with Regional Examiners. I would like as many as possible to attend that grading - so get to work!

End of year

We have decided to have a longer break this year, so we will finish up with a get together on Saturday 2nd December. We will then have two full months off, although I will be holding casual sessions at my house from time to time - so make sure we have your current phone, fax or email details. You are also welcome to train with the Worlds team, plus other clubs around Auckland. See the back of this newsletter for details of the other clubs.

We will re-commence training on Monday 5th February 2001. There will be no charge for December or January. Those on automatic payments can either stop the payments or we can give a refund, or put the fees towards grading or ITFNZ Subs. See Mrs Watt and let her know what you want to do.
