### **PAPAKURA TAEKWON-DO CLUB OF THE YEAR**

Congratulations to everyone for a great year - which is now drawing to a close. As far as we are aware, we are the first Martial Arts club to ever win such a major award in a main stream Sporting event such as the **Counties Manukau Sports Excellence Awards**.

This is what they said:

*Papakura Taekwon-Do Club is home to many National and International representatives. This year saw the club again win the Best Taekwon-Do Club Trophy at the regional tournament. Many of the Club members are part of the Auckland Demonstration team. A number of past and present students of the Club have been involved with administration at a National level. Papakura TKD Club members have a community focus, and are consistently represented at events such as; Have-a-Go days, school fairs and the BMW Marathon. A quarterly newsletter is produced for Club members. Notable achievements from the Nationals this year include eight Gold medals, three silver and four bronze medals.*
