Welcome Back...

...and what a great year we have in store for you!

The year already got off to a great start with the Master Willie Lim seminar hosted by Paul M Taekwon-Do Papakura. Thanks for your support for this seminar.

Several of our members are trying out for the New Zealand Team going to the Junior World Champs in Hunruas - good luck to them for this weekend!

A big congratulations to Melissa and Paige for being promoted to 1st dan at the Black Belt grading end of last year. Melissa got an A pass - well deserved.

Oceania in Sydney

We would like to take a large group to Sydney for the Oceania in June this year. The tournament is open to all grades and ages, and you can enter in sparring, patterns and/or special techniques. Black belts can also enter power breaking and team events. As a build-up to the tournament we are looking at having a Camp - which may also help with fundraising for the trip. We would like as many of you as possible to get behind this to make it a memorable experience. Supports welcome to come also.

We will soon be issuing Entry forms and getting quotes for flights and so on...so start planning for this.

International Course

In August the ITF Technical Committee are returning to New Zealand to run another course. Over 100 students enjoyed the last course held in Auckland in 2004. Many were turned away. It will be open to red belts and above and entry forms will be out before too long.

Techniques Syllabus

There is now a new Handbook and Terminology CD out - and everyone will be issued one free of charge. Please look after it and make good use of the CD. Terminology will be tested at gradings from now on so be ready.

There is also new DVDs available of the Coloured Belt and Black Belt syllabus - recorded from the Instructors Conferences in 2001 and 2005. These are available from club or via the website: www.itfnz.org.nz/merchandise. Gup Grading DVD is \$20, Black Belt two DVD set is \$30.
